Metabolic Product Options from Nutricia

Update on Product Availability for Metabolic Products (excluding PKU – US only)

Dear Metabolic Community,

We are pleased to provide you with an update on our stock situation for products other than PKU products and tell you that all items are in stock except for TYR Lophlex LQ (expected back by mid-October).

Please see a detailed list of all available products further below. If you/your patient cannot access a Nutricia metabolic product for any reason, please let us know. Together we can help find solutions.

For questions about your order, please contact our Customer Service team (MetaCustomerCare@nutricia.com). If you have product questions, you can reach our Medical Affairs team at NutritionServices@nutricia.com. Both teams can also be reached via phone at 1-800-365-7354.

With warm regards,

Your Nutricia Metabolics Team
